REPORT OF FIRE CHIEF

+ + +

To the citizens of the Town of St. Albans, it is with great pleasure that I submit our annual report.

All trucks are in exceptionally good condition and we had a complete overhaul job done on the Portable Pump. We also purchased three lengths of two and half hose. We will continue to purchase as many lengths as possible each year to replace that we already have which is nine years old.

In memory of our Honorary Chief Irving Parkman, I conclude this report.

Respectfully submitted,

Maurice Sawyer, Chief

AUDITOR'S REPORT

+ + +

January 20, 1965

Board of Selectmen

St. Albans,

Maine

Gentlemen:

In accordance with Chapter 405, Section 26, Public Laws of 1957, and at your request, the records of the Town of St. Albans have been audited for the period January 1, 1964, to December 31, 1964, inclusive.

The examination was conducted in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be determined within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the financial position of the Town at December 31, 1964, and the result of its operations for the year then ended.

Recommendations are also offered which are believed to be worthy of your consideration.

All of which is respectfully submitted.

Very truly yours,
JAMIESON & SINGER

TOWN OF ST. ALBANS

JANUARY 1, 1964 to DECEMBER 31, 1964

An audit has been completed of the books and records of the Town of St. Albans for the year ended December 31, 1964.

The records maintained by the Town Manager, Tax Collector and Assessors were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were examined or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly present the financial position of the Town at December 31, 1964, and the result of its operations for the year then ended.

ASSETS

At the year end, the cash balance amounted to \$6,655.71 and was reconciled as follows:

Balance per Bank Statement - December 31, 1964	
The first National Bank of Pittsfield	\$ 9,633.02
Deduct - Outstanding Checks	9,721.05
	<hr/>
Overdraft	(88.03)
Add - Check No. 22002, 1965 Business	21.93
	<hr/>
Overdraft Applicable to 1964	(66.10)
The First National Bank of Pittsfield,	
Book No. 1384	6,721.81
	<hr/>
Cash Balance - December 31, 1964	\$ 6,655.71

During the year the balance of the checking account was withdrawn and deposited in a savings account. All cash

received during the year was deposited in the savings account. Each month, an amount equal to the warrant was withdrawn from the savings account and deposited in the checking account.

The 1964 tax commitment was accounted for as follows:

Cash Collections	\$74,307.11	82.5%
Abatements	176.20	.2
Taxes Receivable	15,531.59	17.3
	<hr/>	<hr/>
Total	\$90,014.90	100.0%

At December 31, 1963, uncollected taxes accounted for 20.5% of the commitment. Unpaid 1963 taxes assessed against real estate totaling \$6,079.00 were secured by tax liens. A review of the tax liens on file indicated that all had been recorded and that waivers had been obtained when partial payments were received. It was noted, however, that not all paid liens had been discharged. Payments totaling \$4,554.42 were received on unmatured tax liens and matured tax liens amounted to \$142.00 were transferred to tax acquired property. A profit of \$104.78 was realized on sales of tax acquired property.

LIABILITIES

During the year, the balance of \$3,250.00 of the truck note was paid from an appropriation of excise tax receipts. A note of \$3,198.00 was issued September 21, 1964 and matures September 21, 1965. The proceeds received from this note were used on state aid roads.

Accounts payable totaled \$2,011.04 at the year end.

RESERVES AND SURPLUS

The investments of the School Building Fund earned dividends of \$148.00 and totaled \$4,063.50 at the year end.

Of this amount \$3,184.61 is invested and the balance of \$878.89 is included in the cash of the General Fund. The stock certificates were verified by physical inspection.

Net unexpended balances in certain appropriation accounts amounting to \$4,573.34 were carried forward to the ensuing year for expenditure. This represents an increase of \$2,035.09 over the amount carried forward at the end of the previous year. This increase is reflected in the Education accounts. A complete analysis of these accounts may be found on Exhibit D.

The unappropriated surplus totaled \$21,492.49 at the year end which is an increase of \$3,839.96 over the balance at the beginning of the year. The major factors contributing to this increase were the overlay, unallocated excise tax receipts, and net unexpended balances of certain appropriation accounts which lapsed at the year end. A detailed analysis of the change in Unappropriated Surplus may be found on Exhibit E.

TRUST FUNDS

The investments of the trust funds were verified by physical inspection of the securities. All examined were in accordance with statutory requirements. Trust funds totaling \$350.00 which were accepted by the Town at the annual meeting in March, 1964, were received. New funds totaling \$400.00 were received and are being held pending acceptance at this year's annual meeting. Unexpended income in the cemetery perpetual care funds totaled \$758.12 at the year end.

GENERAL

Excise tax receipts totaled \$7,255.15 and were verified by examination of the copies of the receipts retained by the

Tax Collector. It was voted at the town meeting to appropriate the following from excise tax receipts:

Summer Roads	\$ 2,500.00	
Cutting Bushes	600.00	
Debt Retirement	3,400.00	
	<hr/>	
Total		\$ 6,500.00

It was voted at the town meeting to appropriate \$150.00 from Unappropriated Surplus for village cemetery fence.

The following bond was on file in the town office and was examined:

Hartford Accident and Indemnity Co., No. 3633516

Claude Fisher - Treasurer & Tax Collector. \$ 4,000.00

The overlay of \$3,263.50 was within the statutory limit and was transferred to unappropriated surplus.

Expenditures for the year are summarized as follows:

General Government	\$ 7,501.45	4.73%
Protection	3,388.02	2.14%
Health	226.52	.14%
Highways	27,328.52	17.23%
Charities	4,389.59	2.77%
Education	99,622.40	62.80%
Debt and Interest	4,437.95	2.80%
County Tax	1,610.40	1.01%
Unclassified	10,132.50	6.38%
	<hr/>	<hr/>
Total	\$158,637.35	100.00%

RECOMMENDATIONS

The following recommendations appear to be worthy of your consideration:

1. That, the balance of the Capital Reserve Fund now in the cash of the General Fund be withdrawn and invested in accordance with statutory requirements.
2. That, all paid tax liens be discharged.
3. That, a trial balance be taken of the ledger accounts at the end of each month.

REPORT OF PUBLIC HEALTH NURSE

+ + +

MAINE DEPARTMENT OF HEALTH AND WELFARE DIVISION OF PUBLIC HEALTH NURSING, BUREAU OF HEALTH

Annual Report of Public Health Nursing Services in
St. Albans for the year 1964

The public health nurse provides your community with a generalized nursing service. She is concerned with the promotion of health and the prevention of disease. In order to promote health and assist in preventing disease she supervises, guides and counsels individuals and families in their homes, in the school, at child health conferences and at clinics, according to individual needs. She detects early symptoms of disease and disabilities and assists families in obtaining the necessary medical care and other supportive services that may be indicated. Under the medical supervision of the family physician she provides restoration and therapeutic nursing care.

Three child health conferences were held offering immunizations and physical examinations to all infant and preschool children. The following immunizations were given: diphtheria, tetanus and whooping cough - 21; polio - 19; and smallpox - 1.

During the spring tuberculin tests were given to 56 pupils in grades 1 and 7. The tests were given again in the fall to 35 pupils in the same grades. Hearing tests were given to 84 pupils. Home visits were made when indicated to discuss problems with parents.

Your public health nurse wishes to thank everyone who, in any way, helped to promote better living in your community.

Respectfully submitted,
KEITHA J. PRESTON,
Public Health Nurse

REPORT OF SUPERINTENDENT OF SCHOOLS

+ + +

St. Albans, Maine

January 1, 1965

To the Superintending School Committee and Citizens of
St. Albans.

When I became your Supt. in July, the school was in the process of being painted. In addition to the usual summer cleaning and small maintenance jobs, the area around the front door of the school was covered with hot top.

Before placing the old school bus up for bid, four practically new tires were transferred to the town truck. I highly commend this type of cooperation between municipal departments.

The purchase of a new school bus has cut maintenance costs on the buses to a minimum.

The staff at the school includes:

Teacher	Grade	8	7	6	5	4	3	2	1
Roland Wortman, Prin.		16							
Mary Davis			23						
Ray Hillman Jr.				19					
Elizabeth Ireland					14				
Edith Talmadge						24			
Priscilla Dean							26		
Mary Hatfield								14	
Elsie Lawry									21
TOTAL									<hr/> 157

A new approach is being tried this year in the grouping of reading classes in grades 3-4-5. The students are being grouped according to their reading level rather than their grade level. The first judgement rendered by the teachers cooperating in this program has been favorable.

The appropriation requested to operate schools this year is lower than last year for two reasons - the state subsidy income is up over last year, and there is no bus to be purchased.

In closing, I wish to thank the Superintending School Committee, the entire staff of the school, and the citizens of St. Albans who have helped to make this school year a success.

Respectfully submitted,

OMAR P. NORTON

Superintendent of Schools

Preserve This Report!

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you to the town meeting.
